**AMERICAN RED CROSS BLOOD DRIVE:** The Trustees are providing our building to the American Red Cross as a courtesy to the community and the American Red Cross. The American Red Cross will be holding a monthly Blood Drive every third Monday of the month from 9:30 am to 2:30 pm. Please help support them. Walk-ins are welcome but appointments are best. Appointments can be made through the [jvlmasons.com](http://jvlmasons.com) website and clicking on the Red Cross icon or by going to [redcross.org](http://redcross.org). The next Blood Drives will be November 18 and December 2. **NOTE: DECEMBER 2 IS ON THE FIRST MONDAY AS THE REGULAR THIRD MONDAY WAS CANCELLED FOR DECEMBER. Help! Help! Help** is needed from all orders to just be in the building if a special need may arise. One to two hours each Blood Drive to supplement other the other lodge members that are helping. **PLEASE SUPPORT YOUR LODGE AND THE MASONIC CENTER.**

## NOTES FROM JANESVILLE-WESTERN STAR 55 TRUSTEES CENTER COMMITTEE

A BUILDING MAINTENANCE FUND has been established for future major repairs and updates. Examples include; roof replacement, update the kitchen fire extinguisher system, Lodge room walls repaired and repainted, Lodge room carpet replacement, and Lodge room furnace replacement. In the future these will be prioritized and ordered such as the Lodge room walls repair and repainted, etc. We want to keep our facility looking and performing at its best, to preserve the building for the future members and maintain the building as good stewards of the craft.

HELP! – Help is needed on occasion to setup and takedown for special events in the dining hall and lower level. This consists of setting up tables and chairs, wiping table tops with disinfectant, taking down tables and chairs, dry and wet moping the floor and occasionally buffing the floor, stripping the wax and applying new wax to the game room, break room and dining hall. In addition, a special person with computer abilities to help work with the automated heating and cooling system to set special occasions. Minor training will be required. If you are interested, please contact Larry Preston 754-2475 for more information as there is a need for more than one individual.

DON'T FORGET! KITCHEN AND DINING HALL USERS. - A general cleanup of the kitchen and wiping off of the tables (with the disinfectant premix IN THE SPRAY BOTTLES) must be done BEFORE AND AFTER each meeting's refreshments. We all need to police the area after our meetings to insure we are up to the requirements of the Health Department at all times. We are responsible for the cleaning of the Dining and Kitchen Area. Remember there is an individual using the kitchen to make gluten free baked goods. NOTE! PLEASE TAKE YOUR TRASH OUT WITH YOU AFTER YOUR EVENT. LADIES, PLEASE NO PURSES IN THE KITCHEN OR ON THE COUNTER TOPS OR TABLES WHERE FOOD MAY BE PREPARED OR SERVED. SEE THE KITCHEN RULES BOOK IN THE KITCHEN AND PLEASE OBSERVE.

Building Usage – The following rental rates for the building usage of the Dining area by individual members, April 1 to November 15 the rate is \$60/day and November 15 to April 1 the rate is \$90/day. Usage of the kitchen will be extra. The rental for outside organizations will remain the same depending on what areas are to be used. Talk it up with your groups the might look at our building for holding meetings or dinners. We work with various caterers dining area. If the meeting only needs coffee and carbs, we can work out an agreement to satisfy those needs. Please contact Trustee Secretary Larry for more information.

SPECIAL NOTE – if your group needs to reserve a special date during the year – the Presiding Officer *must contact Larry Preston (Building Manager) at 754-2475* as soon as possible – *for authorization*. The calendar has been moved to the office for better control but I also keep another calendar at home for those calls received and later transferred to the lodge calendar. If Larry is not contacted, the date might be already spoken for resulting in someone else interrupting your event. In addition, the building heating and cooling system is computer controlled and advanced notification is necessary to program in the usage dates so the desired room temperatures can be maintained.
