During the lazy days of summer, we only meet once a month in July and August.

“Take me out to the Ball Game” We are planning a night at the ball park, August 23rd at Beloit to watch the Sky Carps, 6:35PM. Tickets are \$18 and includes a hot dog, chips and a drink. Everyone is welcome to join us. We would especially like to invite the Lodge Brothers and the daughters to join us. Let Rosie know if you are interested in joining us, final details will be emailed to you.

Our annual report shows a membership of 65. During the 22-23 Chapter year we had four deaths and had to suspend two members for non-payment of dues. The State membership theme this year is “Chapters - Start your Engines”. Our chapter needs to market our organization so we can show the community that we are “Good People, Doing Good things for Good Reasons.

We will be hosting an Exemplification on August 26th 10-3. We will be providing lunch at a cost for all attendees. There will be a learning session in the morning and a focus on floor work in the afternoon. This will be a small fund raiser for us.

NOTES FROM JANESVILLE-WESTERN STAR 55 TRUSTEES CENTER COMMITTEE

A BUILDING MAINTENANCE FUND has been established for future major repairs and updates. Examples include; roof replacement, update the kitchen fire extinguisher system, Lodge room walls repaired and repainted, and Lodge room carpet replacement. In the future these will be prioritized and ordered such as the Lodge room walls repair and repainted, etc. We want to keep our facility looking and performing at its best, to preserve the building for the future members and maintain the building as good stewards of the craft. The City of Janesville required that a grease trap be installed in the kitchen on the dish washer. This project has been in the works for several years with the city demanding that the work be performed. The total cost for this requirement was \$12,100. The 32-year-old Air Conditioner for the Main Lodge room had developed a leak that could not be found and/or fixed. The refrigerant for this unit was no longer being made and if found would be very costly. The unit was replaced in October and when the air handler is running is very much quieter than the old unit. The cost of the replacement was \$20,000. Recently good used Dishwasher for the kitchen was obtained to replace the 57 year old Dishwasher unit that could not be repaired. **Donations to help offset the cost of the grease trap AND the replacement of the 32-year-old air conditioner for the main lodge room would be greatly appreciated as the Masonic Center has taken a loan of \$72,000. Your help to pay for these projects would be greatly appreciated.**

DON'T FORGET! KITCHEN AND DINING HALL USERS. - A general cleanup of the kitchen and wiping off of the tables (with the disinfectant premix IN THE SPRAY BOTTLES) must be done **BEFORE AND AFTER** each meeting's refreshments. We all need to police the area after our meetings to insure we are up to the requirements of the Health Department at all times. We are responsible for the cleaning of the Dining and Kitchen Area. Remember there is an individual using the kitchen to make gluten free baked goods. **NOTE! PLEASE TAKE YOUR TRASH OUT WITH YOU AFTER YOUR EVENT. LADIES, PLEASE NO PURSES IN THE KITCHEN OR ON THE COUNTER TOPS OR TABLES WHERE FOOD MAY BE PREPARED OR SERVED. SEE THE KITCHEN RULES BOOK IN THE KITCHEN AND PLEASE OBSERVE.**

Building Usage –The following rental rates for the building usage of the Dining area by individual members, April 1 to November 15 the rate is \$80/day and November 15 to April 1 the rate is \$120/day. Usage of the kitchen will be extra. The rental for outside organizations will remain the same depending on what areas are to be used. Talk it up with your groups that might look at our building for holding meetings or dinners. We work with various caterers dining area. If the meeting only needs coffee and carbs, we can work out an agreement to satisfy those needs. Please contact Trustee Secretary Larry for more information.

SPECIAL NOTE – if your group needs to reserve a special date during the year – the Presiding Officer *must contact Larry Preston (Building Manager) at 608-754-2475 OR 608-201-2991* as soon as possible – *for authorization*. The calendar has been moved to the office for better control but I also keep another calendar at home for those calls received and later transferred to the lodge calendar. If Larry is not contacted, the date might be already spoken for resulting in someone else interrupting your event. In addition, the building heating and cooling system is computer controlled and advanced notification is necessary to program in the usage dates so the desired room temperatures can be maintained.
