Hello Brothers,

We had our Strategic Planning meeting on February 2nd - 4th and had an excellent turn out and put together an awesome calendar of events for our lodge this year. Special Thanks goes out Brother Alex for all the planning to make this a successful event

There will be degrees for the new members as they travel on their Masonic Journey. Keep an eye out for when these degrees occur and support these new brothers. This would be posted on the Members Facebook Page and those in the group messages.

SICKNESS AND DISTRESSED: If you know of a member that is suffering from an illness or other distress, please let the Lodge know.

PROJECT 16:49 is one of the current projects of the Lodge. Donations can be dropped off at the Lodge.

As part of the community outreach that we need to do to show that Mason and Masonry is still alive and growing. We are going to try and get 30 or more Masons from multiple lodges to attend A CAPS Hockey game on Saturday March 23rd, at 7:05PM, at Bob Suter's Capitol Ice Area 2616 N Pleasant View Rd. Middleton WI 53562. This is a benefit game for the Golden Retriever Rescue of Wisconsin. Tickets are \$16 and a portion of each ticket will be donated to the Golden Retriever Rescue. This is a great cause, and it would be awesome to see Masons in the bleachers having a good time and showing we are here and supporting the community.

Here is a the link to purchase tickets: https://tickets.madcapshockey.com/events/26459-team-usa-vs-madison-capitols?promo_code=grow.

NOTES FROM JANESVILLE-WESTERN STAR 55 TRUSTEES CENTER COMMITTEE

A BUILDING MAINTENANCE FUND has been established for future major repairs and updates. Examples include; roof replacement, Lodge room walls repaired and repainted, and Lodge room carpet replaced. In the future these will be prioritized and ordered such as the Lodge room walls repair and repainted, etc. We want to keep our facility looking and performing at its best, to preserve the building for the future members and maintain the building as good stewards of the craft. The City of Janesville required that a grease trap be installed in the kitchen on the dish washer. This project has been in the works for several years with the city demanding that the work be performed. The total cost for this requirement was \$12,100. The 32-year-old Air Conditioner for the Main Lodge room had developed a leak that could not be found and/or fixed. The refrigerant for this unit was no longer being made and if found would be very costly. The unit was replaced in October 2022 and when the air handler is running is very much quieter than the old unit. The cost of the replacement was \$20,000. Recently good used Dishwasher for the kitchen was obtained to replace the 57-year-old Dishwasher unit that could not be repaired. The fire suppression system in the kitchen stove area was outdated and not up to code. This was updated to the latest system. The Kitchen Fire Suppression unit has been replaced with the updated system. The elevator power supply had failed requiring a replacement be modified to work with our elevator system. Donations to help offset the cost of these items would be greatly appreciated as the Masonic Center has taken a loan of \$108,000. Your help to pay for these projects would be greatly appreciated.

DON'T FORGET! KITCHEN AND DINING HALL USERS. - A general cleanup of the kitchen and wiping off of the tables (with the disinfectant premix IN THE SPRAY BOTTLES) must be done BEFORE AND AFTER each meeting's refreshments. We all need to police the area after our meetings to insure we are up to the requirements of the Health Department at all times. We are responsible for the cleaning of the Dining and Kitchen Area. Remember there is an individual using the kitchen to make gluten free baked goods. **NOTE! PLEASE TAKE YOUR TRASH OUT WITH YOU AFTER YOUR EVENT. LADIES, PLEASE NO PURSES IN THE KITCHEN OR ON THE COUNTER TOPS OR TABLES WHERE FOOD MAY BE PREPARED OR SERVED. SEE THE KITCHEN RULES BOOK IN THE KITCHEN AND PLEASE OBSERVE.**

Building Usage –The following rental rates for the building usage of the Dining area by individual members, April 1 to November 15 the rate is \$100/day and November 15 to April 1 the rate is \$130/day. Usage of the kitchen will be extra. The rental for outside organizations will remain the same depending on what areas are to be used. Talk it up with your groups that might look at our building for holding meetings or dinners. We work with various caterers dining area. If the meeting only needs coffee and carbs, we can work out an agreement to satisfy those needs. Please contact Trustee Secretary Larry for more information.

SPECIAL NOTE – if your group needs to reserve a special date during the year – the Presiding Officer *must contact Larry Preston (Building Manager) at 608-754-2475 OR 608-201-2991* as soon as possible – for authorization. The calendar has been moved to the office for better control but I also keep another calendar at home for those calls received and later transferred to the lodge calendar. If Larry is not contacted, the date might be already spoken for resulting in someone else interrupting your event. In addition, the building heating and cooling system is computer controlled and advanced notification is necessary to program in the usage dates so the desired room temperatures can be maintained.
